

BANUHASHIM
— ALUMINIUM —

BUILD SMART.
BUILD STRONG.
BUILD WITH PRECISION.

PRODUCTS & SERVICES

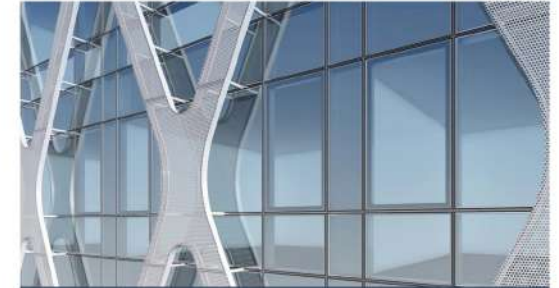

Aluminium windows & Door

Durable and Thermally efficient.

Glass-Aluminium windows & Door

Functional and stylish interior.

Curtain Wall Systems

Modern architectural factor.

Aluminium Fabrication

Custom engineered solution.

Sliding System

Smooth sapce-saving design.

Custom Extrusion

Precision buit profile for industrial applications.

STATE OF THE ART MANUFACTURING

Engineered for Scale, Built for Precision.

BILLET CASTING FOUNDRY

In-house billet production
and processing.

EXTRUSION PRESS SHOP

1100-tonne hydraulic
extrusion press.

HANDLING & COOLING TABLE

Automatic pullers,
conveyors and
cooling systems.

FINISHING & POST PROCESSING

Straightening profiles
and strengthening
aluminium alloys.

QUALITY LABORATORY

Alloy verification and
strength accuracy testing.

SITE FACILITIES

9000 SQM workshop with
streamlined production flow.

AUTOMATION

Automated handling
and production
tracking systems.

Advanced Extrusion Technology

Automated Precision System

Scalable production Capacity

DADA GROUP LEGACY

Building on the legacy of three established factories, the company is now expanding into a new industrial sector.

EASTERN ENTERPRISE

- In house textile yarn manufacturing
- Monthly capacity: 1000 MT
- Annual capacity: 12,000 MT

GLOBAL SYNTAX

- Established in 2000
- In house textile processing unit
- Annual capacity: 3 crore meters fabric
- Daily capacity: 90,000 meters

DADA ASSOCIATES

- Established in 1989
- In house textile processing unit
- Annual capacity: 3.5 crore meters
- Daily capacity: 1,00,000 meters
